## REECE RICHARDSON

### "A MASTER OF DIFFERENT INSTRUMENTS AND STYLES"

In a vast expanse of single artists, Reece Richardson has mastered a unique ability to be a completely independent musician. From folk to classic rock, to metal, and more, it's sure to say he's honed his abilities. From the middle-class, musically arid streets of Brinsworth, Rotherham Reece began his musical adventure at the age of 6 learning guitar from his father.

From a childhood filled with 80's classic rock, to modern day Nu-metal, folk, and house music, Reece has taken the exciting challenge to write all genres. Making it nearly impossible for a person to not enjoy at least some of his songs.

Going from writing songs with just an acoustic guitar and a few catchy chords to writing 5 minute, fast paced, energetic nu metal, or calm and collected folk songs, all in which are assured to scratch your brain just the right way.
