Kunda

Artist Biography:

Manchester Born musician raised in Aberdeen, Kunda has been working through his musician skills with training from classical and Jazz tutors in Scotland, he is officially studying in Leeds in the Jazz course, as a musician Kunda is invested in many genres and styles creating his own style with souly sound with the edge of punk rock. Kunda's journey began in his highschool days as he was taken into ACMS as promising young voice who'd study classical and jazz music through out his years, he has had many performances back in those days but looks to elevate and eveolve past his old self as he continues to hone his skills with colaborators on and off of the course.

What is his goal?

He intends to perform more, he is currently trying to get the hang of stage presence and performance skills. He also has the goal of writing more songs, whilst he is able to produce he doesn't write alot of lyrics and he is looking to change and improve that.
